### **BEST PRACTICES**

#### **1. SUPPORTING STUDENTS DURING COVID**

The College supports students whose financial condition is weak and they are not in a position to pay their fees. College allows such students to pay their fees in installments. Such students

can pay whatever amount they have in various installments. In some cases college also waives some portion of their fees and they are encouraged to continue their education. Such students also get full fees waiver if the situation demands. Apart from this, needy students also get books and other such reading material from library. It is ensured that no student leave college because of financial problems.

Number of students face financial problems during COVID-19. college gave fee relaxation and they were allowed to pay in installments. in some cases college even waived some part of the fees.

Apart from this, college started **HELPLINE during the covid** for students and also did **COUNSELLING** of students facing even psychological problems or stress of any kind. Faculties were constantly in touch with them,

#### **2. PROVIDING LEARNING MATERIAL:**

Due to covid-19 regular classes were not functioning and students had no access to library and they could not get books from the market also. so college created whatsapp groups of all the classes and students were given necessary study material throughout the year. They were also provided video links of experts lectures on various topics
