

Criterion 6 - Governance, Leadership and Management

Key Indicator – 6.2 Strategy Development and Deployment

6.2.1 The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, deployment of institution strategic/perspective/development plan etc.

The college is managed by M.P Shah Education Society, Kadi. Management is very much active in various academic and other college related events. Members of the trust regularly meet to chalk out the plan for various works related to the college. They along with principal of the college work on various policy matters. This executive body is at the top of policy decision.

Within college principal works with various departmental heads, committee conveners and administrative head for various matters related to the college administration, staff, students, college infrastructure and teaching learning works.

For administrative works, office superintendent is given responsibility to monitor all office related matters. This also includes admission, account, university related matters, education department related works etc.. All works are properly delegated and responsibility is assigned.

For the appointment of teaching and non-teaching staff, the college strictly adheres to university and government rules. It is ensured that the college appoint the best candidates though due process and all norms are properly followed. This also applies for service rules. This whole process is transparent and efficient.

For institutional developmental works, executive body takes utmost interest and they provide all the facilities which are useful for college. They take keen interest in college activities and regularly visit the college. During last ten years the college witnessed huge growth and the management provided infrastructure facilities for it.

Apart from college has various committees:
