

Criterion 6 - Governance, Leadership and Management

Key Indicator: 6.1 Institutional Vision and Leadership

6.1.1 The governance and leadership is in accordance with vision and mission of the institution and it is visible in various institutional practices such as decentralization and participation in the institutional governance.

C. N. Arts and B. D. Commerce College, established in 1963, is affiliated to Hemchandracharya North Gujarat University. The college has been accorded recognition by University Grant Commission, New Delhi. The college is managed by M.P. Shah Education Society, Kadi. It is the only college in Kadi taluka imparting higher education in the commerce stream. It has produced a number of business professionals and entrepreneurs in the region. The strong business acumen of the people of this area is nurtured by the college, and it has contributed notably to the growth and development of Kadi taluka. The town Kadi has historical importance in the state of Gujarat. It was ruled by the Marathas and was considered an important place for commerce and business.

Vision: C.N.ARTS & B.D.COMMERCE COLLEGE

To evolve into a nucleus of learning, providing the student with the skill of entrepreneurship and communication and thus creating enlightened, energetic, dynamic and dedicated youths through qualitative, value-based education and research.

Mission:

- To offer need-based courses at an affordable cost.

- To inculcate in the students the spirit of success by means of sincerity of purpose, perseverance and honesty and thus to inspire them to pursue their goals tirelessly and tenaciously.
- To educate the student so as to help them meet challenges of life and live a life unhampered by the barriers of caste, community and creed.
- To impact higher education as a means for effecting the socio-economic development of the surrounding communities.
- To take steps towards bringing a value-added education within the reach of the learners by awarding communities.
- To promote the integration of pluralism within the college community.
- To create an academic atmosphere that encourages and supports innovation in the teaching and learning environment.

Goal:

- To strive for excellence and attain autonomy

The college management is proactive and regularly involved in various decision making processes. The college was established with the vision to provide quality education in this region and to prepare the youth for the upcoming challenges. Management and the principal work together to add value based and skill based courses for the students.

The college has formed various committees for the execution of various tasks. Principal monitors all the committees and from time to time meetings are called for some tasks. All committees have members and one convener who is responsible for the work. Members of the committee submit their work to the convener and the convener submits all the work to the principal. Top leadership guides and monitors the affair but also provides space where departmental heads or committee heads can take their own decisions.
